

Who may enter Denmark?

- Danish citizens and people residing in Schleswig-Holstein
- People residing in Germany, Norway and Iceland
- People residing in the EU, Schengen countries and Great Britain
- People from the rest of the world

Purpose of entry

Always check coronasmitte.dk for more examples of purpose.

As regards aliens who enter from a non-Schengen country, it also applies that they must still fulfill the ordinary entry conditions.

Aliens who show clear symptoms of disease, such as coughing, fever etc. will not be allowed entry into Denmark, irrespective of the purpose. At coronasmitte.dk, you can find the list of worthy purposes of entry into Denmark, and under each item which requirements must be documented.
